Calypso's Cove features all new Zip-Line for summer 2013

(Old Forge, NY) – If you've ever wanted to know what it's like to fly, now is your chance! Calypso's Cove is happy to announce a new attraction for the 2013 summer – an all new Zip-Line. Guests will experience the ultimate rush as they drop off a 40 ft. tower and propel across a 300 ft. side-by-side Zip-Line. Those who dare to experience the thrill will reach speeds of up to 21 mph as they zoom between Calypso's Cove mini golf course and batting cages. The zip-line is able to accommodate up to 90 guests per hour, allowing for minimal wait time! Since the zip-line is 100% manufactured in the United States by Extreme Engineering, it is loaded with the latest safety features and was awarded the International Association of Amusement Parks and Attractions' (IAAPA) "Best Technology Award." In a video posted on Extreme Engineering's website, www.ExtremeEngineering.com, one boy exclaimed, "It gives you a real exhilaration. You don't know what exhilaration is until you rode that (the Zip-Line)!" Calypso's Cove is currently holding a contest through their Facebook page to be the first to ride the Zip-Line on Saturday, May 25. Fans of the page can enter through Thursday, May 16. The lucky winner and a friend will also win a stay in a cabin at Old Forge Camping Resort on Friday, May 24 and a Family Fun Deal Package at Calypso's Cove which includes four attractions tickets, 40 game tokens, 4 personal pan pizzas and a two-liter soda.

Also new starting in June 2013, Calypso's Cove will feature a full BBQ menu that will include BBQ favorites such as pulled pork, chicken, and rack ribs along with traditional BBQ sides like beans, coleslaw, and potato salad. Calypso's Cove will still feature Pizza Hut Express offering quick and easy meal options such as pizza and wings, breadsticks, salads, and more.

Calypso's Cove Family Fun Center, located next door to Enchanted Forest Water Safari, offers afternoon and evening entertainment to the Old Forge area at affordable prices. At Calypso's Cove, there's something for every age. Guests can race alongside their friends on the **Go Karts**, make a splash in the **Bumper Boat** pool, test their skills on the **Adirondack Rock Climbing Wall** or **18-Hole Miniature Golf Course** or hit a fastball in the **Batting Cages**. Calypso's Cove is a gaming hotspot featuring a **State-of-the-Art Arcade** and **Prize Redemption Center**.

Calypso's Cove will be open for Memorial Day weekend, May 25-26, 2013 and will open its doors daily from June 22-September 2, 2013.

Admission to Calypso's Cove is free and each ride requires one paid ticket. Visit www.CalypsosCove.com or www.Facebook.com/CalypsosCove to keep up with the latest news and events.
